## **Q-TOL** **SHAVING CREAM**

*shaves  
better*

*because it holds  
whiskers*

**FIRMER!**

It stands to reason that the firmer whiskers are held by lather the easier they are to cut — just as a taut piece of string is easier to cut than a slack piece. Q-TOL SHAVING CREAM with its thicker, creamier, better-than-average lather — **wetter** and longer lasting — holds whiskers up, keeps them firm, so you shave easier, closer, smoother. Try it!
