Perhaps the finest tribute paid to the world-popular De Witt's Antacid Powder is the confidence with which it is recommended by one-time sufferers to their friends and family.

The reason why De Witt's Antacid Powder brings speedy relief is because it has a *three-fold* action. Firstly, excess acid is quickly neutralised. Secondly, a soothing and protecting layer is spread over the inflamed and delicate stomach lining. Thirdly, special ingredients ensure relief over a protracted period.

So have a canister of De Witt's Antacid Powder handy in the house and keep fit and free from digestive upsets. Price 2/6, Double Size 4/6 (incl. tax). A product of E. C. De Witt & Co. (N.Z.) Ltd., 2, Herbert Street, Wellington, New Zealand.
