Stiffness in joints and muscles

Many of those aches, pains, stabs
and rheumatic twinges that
handicap both work and pleasure
may have a common origin—im-
purities left in the system as a
result of sluggish kidneys.

De Witt's Pills are specially
compounded to assist the kidneys
in their function of filtering waste
matter and so cleansing the blood-
stream of all impurities. It goes
without saying that this process of
filtration and elimination is vital to
the health of the whole body. De
Witt's Pills also have a soothing
and cleansing action
on the urinary
channels.
