Trade names appearing in Commercial Division programmes are published by arrangement.

Memories of Franz Lehar, composer of many of the richest musical comedy scores in the Treasury of the Theatre, are recalled by 1ZB at 6.0 p.m. today in "Ghosts of Music."

A specially selected musical programme by Mantovani and his Orchestra, from 3ZB at 3.45 this afternoon, will feature several 1949 recordings by this popular group.

"The Tales of Edgar Allan Poe" contain, to quote him, "much of madness and more of sin, and horror the soul of the plot." No writer of short stories has ever equalled his horrific descriptions. The imaginative listener will be thoroughly addicted to "The Oblong Box" heard from 2ZB at 10.0 p.m. on Wednesdays.
