Recorded Personalities In Caricature (13)

WHO IS HE?—Born in Leamington, Warwickshire (Shakespeare's and Neville Chamberlain's native county), in 1899, he is the hero of a legend. The story goes that, as a baby, he was taken to the band concerts in Jefferson Gardens, Leamington, and was never happy unless given a rolled-up newspaper with which to conduct! He studied the piano later, and soon found himself teaching his teacher. He is now a leading figure in the show-world, packing any music-hall at which he appears with his band—yet his first stage appearance was as Juno in a school production of "The Tempest," when he lost his nerve and was only saved by Ariel remarking fiercely, "Spit it out, you silly young ass!" He served with the Royal Air Force during the late war. After the Armistice he was led by the post-war dance boom to take up this work professionally. His number in our "Recorded Personalities in Caricature" is his lucky number. It was the thirteenth day of the month—and a Friday—when this enterprising young invader from the provinces bearded the manager of the Hotel Cecil and suggested the hotel needed a dance band.

SUNDAY: Which vocalist began as an amateur when she was a corset saleswoman in a small town department store in Ohio?

WEDNESDAY: What is the name of the composer who hides behind the boiled shirt of a famous baritone, and which is his most famous song?

THURSDAY: Which famous composition was specially written for a concert in aid of the Serbian wounded in the Turko-Serbian War of 1876?

FRIDAY: In which operetta was the principal male character created by the composer's only brother Fred, 'way back in '75?

SATURDAY: Which popular singer studied architecture and matriculated at the University of Pennsylvania?

How I Got Rid Of SUPERFLUOUS HAIR for ever!

By a
TRAINED
NURSE

"MY arms and legs were covered with ugly, thick dark hair. I tried everything—irritating pastes, smelly powders, even painful electric treatments. Using a razor only made the hair grow faster and coarser. Then a friend told me about the New 'VEET.' It removed every trace of hair in three minutes.

Left my skin white and smooth as velvet. With New 'VEET' my superfluous hair troubles are ended." Note: New "VEET" gently dissolves away hair below the skin surface—therefore leaves no bristly stubble like the razor—and it actually weakens hair growth. 1/3 and 2/6 at all Chemists and Stores.

FREE: By exclusive arrangement, every woman reader of this paper can now obtain a special package of NEW VEET ABSOLUTELY FREE. Send 3d in stamps to cover cost of postage, packing and other expenses. Address: Salmond & Spraggon Ltd. (Dept. 44.L.), Maritime Buildings, Custom House Quay, Wellington.
