

Let's show 'em-

"Just poor country lads" - are we!

* NAZI RADIO ANNOUNCER, FEB. 3rd, 1940.

The laugh will be on the aggressor before we're through. Sneers and jibes will carry no weight against the grim determination of New Zealand's manhood to assist Britain and her allies to put an end, once and for all, to the constant menace of aggression and dictatorship.

The "poor country lads" have dedicated themselves to the task. Many of them are now overseas. Many more are wanted NOW to stand behind their pals. Are you going to fail your country when she needs you most? Are you going to sit back and leave this honour and duty to others? Or are you going to prove your manhood here and now by enlisting immediately in New Zealand's 2nd Expeditionary Force? It's up to you, pal.

HOW TO ENLIST

Call at the nearest Army Office or obtain a Registration Form at any Post Office or Railway Booking Office. Fill in the form and post it as directed, and you will be notified when to report for medical examination.
