THE CENTENNIAL **"Dominion"**  
£26.10.0

You'll appreciate the ease of tuning with HMV's Straight-line Dial

plus Spin Tuning. You'll like the way this six-valve

pulls in distant stations that are just a murmur on your present set. You'll

enjoy cruising the world with a set that goes down to 19 metres on short-wave and gives you all the broadcast range. If

you want good tone before anything else, then you'll admire the Radiacoustic Cabinet and the High Fidelity 8" Speaker

that are, in the main, responsible for its typical His Master's Voice tone. Hear it in

your own home and look for the things you want most in radio. We believe it has them all. It costs you nothing to try, at anyrate.
