SOUND AS A BELL

not merely the greatest in the battery world, they are among the greatest in the entire industrial chemical world. Every Eveready unit throughout the world, including the new, up-to-the-minute factory in New Zealand, reaps the benefit of this research. That is just one of the reasons why Eveready is the world's best battery.

EVEREADY is unquestionably the world's largest manufacturer of dry batteries. The research laboratories controlled by Eveready are
