HARD LABOUR!

The news item, "Journalists are rated as 'heavy labourers' in Germany, and therefore are allowed extra rations," inspired a writer on the *Manchester Guardian* to the following effort:

*The working folk were leaner
 But the writing folks were fatter.
 For they had to be the keener
 On the things that really matter.
 To extend their rich resources
 And add body to their yelpings
 They were granted extra courses,
 They were given larger helpings.
 Grudge them not, in this their station,
 Larger rations than their neighbour,
 For their arduous occupation
 Has been ranked as heavy labour,
 And though haply, on this showing,
 They are now like pigs in clover,
 Gosh, it must be heavy going
 Putting Goebbels' eyewash over.*
