Free From STOMACH TROUBLE

De Witt's Antacid Powder frees you from stomach trouble because it kills excess stomach acid. One dose quickly stops after-meal pain, heartburn and flatulence.

Briefly, here is the triple-action De Witt's Antacid Powder formula that has proved so successful. *Malt Diastase* to aid digestion; *English Kaolin* to protect the stomach lining; *Calcium Carb.*, *Magnesium Carb.* and *Sodium Bicarb.* to neutralise burning stomach acids.

De Witt's Antacid Powder is the modern, triple-action treatment for Indigestion and all other Stomach Troubles.

"I suffered terribly from stomach pains," says Mrs. R. N., "but De Witt's Antacid Powder worked wonders. After two tins I am in perfect health."

Another user says:

"Two years ago I suffered from indigestion and heartburn. The pain was very bad. I obtained no relief until a friend recommended De Witt's Antacid Powder. From the first dose I obtained relief, and less than three tins gave perfect health—now I am able to eat and enjoy anything without fear of after-effects."
