"Believe Me This Cream Of Milk Recipe

will make the
 average woman of 50
 look like 30"

Use it where these
 arrows point — then
 all over your face and neck

HERE is a quick way to make a wrinkled, flabby, sagging skin, fresh, firm and young. Mix one ounce of pure cream of milk (predigested by pancreatin) with one ounce of predigested olive oil, then mix with two ounces of best cream. This will nourish your skin and restore youthful freshness and beauty to an unbelievable extent. The great Sarah Bernhardt used this recipe to keep herself looking young and at 70 she played the parts of young women. This can be prepared by your chemist but the making of a small quantity is expensive. Crème Tokalon white colour (non-greasy) contains cream of milk, predigested and specially prepared with predigested olive oil for nourishing your skin. It is a true skin food. Successful results are guaranteed in every case or double your money will be refunded. Obtainable at all Chemists and Stores.
