WOMEN

A new precious extract of skin cells—just like the vital elements in a healthy young girl's skin. Discovered by a famous University Professor. Obtained by him from carefully selected young animals. This extract, called 'Biocel' is now contained in Tokalon Rose Skinfood. Apply it every night. Every minute while you sleep your skin absorbs these vital elements. Every morning when you wake up your skin is clearer, fresher, smoother—YOUNGER. During the day use Crème Tokalon (White colour non-greasy). By this simple treatment any woman can make herself look ten years younger. Have a marvellous skin and complexion of which any young girl would be proud. Successful results positively guaranteed with Tokalon Skinfoods or money refunded. Obtainable at all Chemists and stores.
