 free audition.

FALSE TEETH

The Truth!

Food particles lodge in the crevices of dentures and unless they are removed, decay and become breeding grounds for germs, which may lead to serious illness.

Don't take risks—give your teeth a Kemdex bath overnight (or a few minutes in double-strength solution in the morning). Unclean dentures often lead to unpleasant breath.

Kemdex in solution releases millions of tiny oxygen bubbles which sterilise, remove all food particles and neutralise acids, do away with film and stains—leaving the teeth hygienically clean and fresh!

FREE TRIAL OFFER

One trial of Kemdex will convince you that it does all that is claimed for it. Simply write for free trial sample to Salmond & Spraggon Ltd., Dept. F.G.P.O., Box 662, Wellington.
