ROUND THE WORLD BY RADIO

NEWS BULLETINS IN ENGLISH

This new list of overseas stations broadcasting news in English gives comment on the state of reception in Wellington (but reception may vary in other localities). The times are New Zealand Summer Time. The list is checked regularly, but its accuracy may, of course, be affected by last-minute changes which are made from time to time:

Name				110111 111110

SHORTWAVE NOTES

(By "Audio")

RADIO CENTRE, Moscow, has recently begun a series of special transmissions in English. These are primarily intended for North America, but are heard quite well in this country. Each transmission consists of a news bulletin and commentaries on the war situation. There are also very good descriptions of life in Russia to-day, as well as vivid pictures of the actual fighting narrated by eye-witnesses. Here is the schedule of broadcasts, with a list of the frequencies used, also the frequencies heard best here:

A.M.	Wavelength	Best frequency	Reception
0. 5-0.30	19 metres	15.18 mc.	Poor
3. 0-3.52	19 and 33 metres	15.18 mc.	Fair
10. 0-10.58	19 metres	15.18 mc.	Fair
11. 0-11.58 P.M.	19, 31 and 33 metres	15.18 and 9.63 mc.	Fair
12.30-12.58 2.30-2.58	19 metres 19, 25, 31 and 33 metres	15.18 mc. 15.18 and 9.63 mc.	Fair Fair

A NEW Swiss station is now coming in at excellent strength in the afternoons. This is HER3 which operates on a frequency of 6.165mc. Its location is Schwarzenburg. The station is heard here from 4.40 to 5.40 each afternoon, and reception is really good. The programme is mainly musical, and includes many well-known tunes. The station closes at 5.40 p.m. with "Bon jour madame, bon jour monsieur."

NEWS FROM LONDON

In the following list of news broadcasts from London in the BBC's Overseas Service, stations are given in chronological order, but in each group the stations are listed in order of merit for reception purposes. The list is checked frequently, but "The Listener" cannot be responsible for last-minute changes:
