

# RHEUMATISM

I was bed-ridden, but  
De Witt's Pills  
worked wonders for me

Mrs. A. H. suffered terrible pain from Rheumatism—until her daughter persuaded her to try De Witt's Pills. Then she found that the results of the first bottle were "astounding." She writes: *"I was bed-ridden for many weeks with Rheumatism, and could not move hand or foot. Everything had to be done for me. I felt resigned to my fate. My daughter had been advised by a friend to get me to try your pills. I was only too glad to try something to obtain relief, and the result of the first bottle was astounding. I found relief after the first two doses. The second bottle saw me walking about again, to the astonishment of all my friends."*

Mrs. A. H. later writes:—"De Witt's Pills have worked wonders for me. They do everything you say they do."

When kidneys become sluggish and weak, poisons and impurities accumulate in the system. Then rheumatism starts.

The kidneys are Nature's "defence line," and the only way to clear the system of poisons and impurities, and end the pain they cause, is to restore your kidneys to health.

Within 24 hours of taking the first dose of De Witt's Pills you will have visible proof that they are actually at work on the kidneys themselves. Then, in a very short time, you'll feel those rheumatic pains leaving you. You will feel fitter and stronger than ever.
