Sirs,

Please send me a copy of Dr. Hair's Booklet on Asthma and Bronchitis. I have just started on a bottle of Dr. Hair's Asthma Cure, and I think it is marvellous. I have been a sufferer for years with bronchial Asthma, and did not know what it was to get a good night's sleep until I started taking Dr. Hair's Asthma Cure. The first teaspoonful did me good. I got the mixture from a local chemist, and will continue until completely cured. If Asthma sufferers only knew how good it is, they would be as grateful as I am.

Yours faithfully,
C. DODDS (Mrs.).
