FALSE TEETH MADE really CLEAN

This quick, easy way

Thousands of people with false teeth have found Steradent an effective and handy preparation for cleaning and sterilizing dentures. Steradent removes all stains, film, and food particles, leaving the whole denture clean and sterilized.

Important Notice.

Owing to difficulties in regard to raw materials, it is not possible to supply Steradent on the same scale as in normal times. All available stocks of Steradent are being evenly distributed right throughout New Zealand. The manufacturers therefore recommend you use Steradent as economically as possible.
