Nurse Says Internal Cleanliness Essential

HER ADVICE IS SOUND!

No one is in a better position than a trained nurse to know that constipation is the most common health-destroying agent. This nurse says that bowel sluggishness or stagnation causes a poisoning of the blood stream, which eventually results in most common human ailments.

Take R.U.R. regularly to keep the system free from the acid, toxins and wastes that dreaded constipation causes if not swept clear of the body regularly.

R.U.R. is famed for its "five fold" action of the body—the action of a laxative, liver stimulant, kidney cleanser, blood purifier and acid corrective. It creates energy, charm, personality and radiant living.
