

PUBLIC NOTICE

concerning

Western Electric HEARING AID

Because the Western Electric Company is devoting most of its factories and energies to War production, stocks of Western Electric Hearing Aids—standard of the World—are low, and there will be difficulty in supplying all customers.

However, New Zealand is to receive a share of what production is available, and it is hoped that stocks may soon be more plentiful.

For full particulars of the world-famous Western Electric Hearing Aids, and for demonstration without obligation to buy, apply to—
