

HAIR FALLING OUT?

This Letter Speaks for Itself

Dear Sirs,

I have been using Pure Silvikrin for a few months now, and have had amazing results—was nearly bald—the hairdresser said she never saw a person with so much new hair. I am very pleased with my new hair—it has come back as it was in my schooldays. I am still in ill-health so it is only thanks to Pure Silvikrin that I am no bald now, instead of having a thick head of wavy hair.

Now what makes it curly and wavy—the reason is I always use Tonic Lotion Silvikrin in the daytime. No need for a hair set when you can get natural waves as well as keeping your scalp clean. And don't my girls like it. I've just got to hide the bottle if I want any left, so will give them a bottle each for Xmas. Not forgetting the shampoo—I have been using all three for six months. I'm using the last bottle of Pure Silvikrin now, will carry on then with Tonic Shampoo and Oil.

Now let me tell you, I am not telling you all this just to please you—it's all true, as my friends can tell you. But you must use it every day, not miss two or three and start again as a friend of mine does, and then wonder why you aren't getting results. The only thing is I cannot get my hair to shine (that is because of gland trouble.) So you will understand Silvikrin has had a battle and come out with flying colours.

Yours faithfully,
Mrs. P. Watson.
