## WALKED THE FLOOR IN PAIN NIGHT AFTER NIGHT

**65-YEAR-OLD STOMACH SUFFERER  
NOW SLEEPS LIKE A LOG**

The case of Mr. M. J. Clarke, of 12 Kensington street, Wellington, was serious. For three years he suffered stomach agony—his weight dropped from 10st 8lb to 9st, and sleep was impossible. He tried stomach powders, X-Rays, stomach pump and doctor's prescription, and took olive oil by the gallon, with no beneficial results. Then he tried R.U.R., and this is what he says: "After taking two and a half bottles—oh! what a pleasure life was! I could sleep all night and eat everything!" Mr. Clarke still works at his trade of painting with the best of them. R.U.R. contains the five-fold health action of a laxative, liver stimulant, kidney cleanser, blood purifier and acid corrector. Take R.U.R. and Right You Are. R.U.R. makes you well and keeps you well—a product of R.U.R. (N.Z.) Ltd., 141 Cashel st., Christchurch.

## TWO MAJORS—Father and Son

POSSIBLY the youngest major serving in the Middle East, Major R. J. Moor, an artillery officer with the 2nd N.Z.E.F. (right), is only 23, and is the son of a major. Both father and son are interesting in their own rights, for Major F. W. Moor (left), who is Staff Officer and Quartermaster in the Medical Service, Army Headquarters, writes marching songs that are being sung by camp concert parties here and played by regimental bands in India. His son, who was in the territorials before the war, has shown how promotion in the field comes to men who prepared themselves for the job off the field.

Major Moor the younger, joined the Territorial Force artillery in 1936, and attended every technical course of

instruction available. He enlisted in September, 1939, and gained his commission before the year was out. He was in Greece and Crete, and with the eighth Army in Tunisia. In March of this year he became a temporary major, and two days later he celebrated his 23rd birthday.

The father, himself, was overseas in the last war, and his civil occupation is the inspection of hospitals. When off duty from the Medical Service, he writes the words of marching songs, and sometimes the air as well, and gets a friend to arrange them for the piano. His "Troopship Ahoy" has been sung from 1YA by Mary Negus, and the "Army Tank Song" has been played by a band in India.
