END MINERAL STARVATION

with

BIDOMAK The Tonic of the Century

Much needless suffering is endured to-day through the lack of vital minerals in over-refined foods: Mineral starvation gives rise to lassitude, restless irritability, poor appetite, loss of sleep, headache and neuralgic pains. If you are feeling weary and over-strained through nerve-exhaustion you need Bidomak. You'll eat better, sleep better, feel better and even look better after a course of Bidomak Tonic.
