

"Make-Your-Own" DOLL'S HOUSE

*A child can put it together in
a few minutes*

Every little girl (and lots of big girls, too) will be thrilled with this beautiful Doll's House, which she can put together in a few minutes. The various sections are all self-locking and require no paste or glue. This delightful present comes in several bright colours, and will be a source of great joy and pride to tiny tot and bigger sister. The house is 25 inches long and 16 inches wide and made of heavy board. In this "Make-Your-Own" Doll's House are five neat rooms, with hinged roof (as illustrated) to make the interior dust-proof. The parts for the walls and roof are already cut out and packed flat, all ready to be put together, for making into a cosy little home. And it is a cosy home, too, for there are 20 pieces of "Make-Your-Own" Doll's Furniture that go with it and require no paste or glue. Your little girl will be delighted to put the furniture together and show her friends. All the materials are supplied for making; both the Doll's House and the Doll's Furniture. Send for this wonderful, practical gift while stocks remain. The price of 27/6 for House and Furniture includes postage.
