

YOU CAN HAVE SMART FROCKS

the Simple, easy
DRULEIGH way

Dressmaking is easy when you learn the simple, practical Druleigh way. You cut your own patterns . . . any style . . . from any picture. You are taken through the lessons in such easy stages, you master the most difficult sections without difficulty. Many hundreds of New Zealand's smartest women have learnt to make their own clothes the easy Druleigh way.

HISTORY OF DRULEIGH

Druleigh College of Dressmaking is not just a correspondence school with a box number, or a duplicated importation from overseas. At Druleigh College you have the personal tuition and guarantee of a large staff of highly qualified experts in several New Zealand centres. They take each student individually. Druleigh College has grown to be the largest school of its kind in the Southern Hemisphere because of the simplicity of its methods and the success of its students.

OVER 5,000 Satisfied STUDENTS

Over 5,000 satisfied New Zealand women and girls, students, either personally or by correspondence, over the past 10 years, testify to the simple effectiveness of Druleigh Training. Anyone with average intelligence and application can learn. The majority of enrolments are now the result of recommendations of satisfied students.

NEW REVISED TEXT BOOK FOR HOME DRESSMAKERS!

10/- POST FREE

This is a duplicated text book profusely illustrated, based on the well-known

Druleigh Correspondence Course in Pattern Cutting and Dressmaking. It is very simply written in the clearest terms, and shows you how to make a foundation pattern for any figure. It tells you, too, how to draft simple skirt, bodice and children's patterns, with many useful hints regarding fitting, finishing, and stitching.

All purchasers are supplied with a foundation pattern cut to their own measurements free. Satisfied purchasers everywhere.

FOR COUNTRY STUDENTS

The Special Home Study Course of Instruction has been specially written in easy, graduated stages, profusely diagrammed, so that anyone can follow it. The course deals especially with pattern cutting and designing. You work mostly on paper for a start, sending it into the College for individual checking and correction. Students are frequently amazed at the satisfactory progress they make. It is so easy and practical by mail. Many students are able to set up in business as professional dressmakers after taking the course.
