Tino Rossi, sometimes described as the idol of every French woman and most of the British, too, has a flair for singing love songs. Born in Corsica in 1907, he was one of a large family. His first appearance was in Laureis, near Aix-la-Provence, where he was introduced as having the most pleasant voice in the world. His repertoire consisted of only two songs, which were encoored by his enthusiastic peasant audience. With a friend he roamed from village to village, a veritable troubadour, and while at Aix amused himself by recording on an old machine, which was heard by a recording official who offered him a contract. Then followed a visit to Marseilles, where he created such a sensation with his songs that it was not long before he was captivating Paris itself. The charm and tenderness of his singing have certainly won him a large public. 4ZB will broadcast recordings by Tino Rossi at 9.30 tonight.

Sports results from Manawatu and surrounding districts will be broadcast this evening from 2ZA following the National sports summary, which commences at 6.30.
