As the singing half of the team of Martin and Lewis, Dean Martin has perhaps the thankless part of the act as far as audiences go, but at the same time he is an artist in his own right. A pleasant voice and manner have made him a favourite on both screen and stage. Dean Martin entertains from 2ZB at 6.45 this evening.

Gordon Jenkins has the distinction of being the first bandleader to compose and conduct background music for a 3-D film. One time winner of a ukulele contest, Jenkins rose to fame via stage musicians and composing. One of his best known songs is the still popular "Tzena Tzena." 3ZB will play some recordings by Gordon Jenkins and his Orchestra at 10.15 tonight.

Films produced by Walt Disney can usually be counted upon to contain a selection of songs which become popular. "Alice in Wonderland" contained several pleasant melodies and some of these will be heard from 2ZA at 8.45 this evening.
