

Cheerfulness breaks in . . .

With beautiful Sundour Fabrics you can add real gaiety to your home—their bright, fresh colours are all guaranteed against fading.

And there's rich variety too. For example, colourful casements . . . the prettiest prints . . . dainty curtain nets . . . sturdy loose cover repps . . . rich chenilles . . . or truly sumptuous velours and damasks. Do go and look in your favourite shop!

All Sundour Fabrics are guaranteed against fading—most of them for the whole of their life.

ANCHOR

SKIM MILK POWDER

Only moisture—and fats often in excess in our diet—are removed to produce wholesome, economical Anchor Skim Milk Powder. And because it's a dry baking ingredient, added with the flour, you can add worthwhile measures to any recipe. Build health—bake better for your family with Anchor 'Skim' in all your recipes.
