OUT OF SORTS? NOT ME!

Like so many girls these days, I'm definitely career minded and I know that if I'm to hold down a good job, I just can't afford to have off days. That's why I depend so much on my daily pinch of Kruschen.

Millions of people the world over testify to the tonic effect of Kruschen Salts and from my own experience I can back up everything they say. No matter how sluggish I feel on waking, I start to pick up soon after I've had a little Kruschen in my early morning cup of tea.

Why not banish your off days, as I have done with a daily pinch of Kruschen Salts. Buy Kruschen today and take it every day. Available at all Chemists and Stores.
