Lawrence Tibbett's success is the old story of understudy who makes good. He first sang with the Metropolitan Opera Company in 1923 when he was called upon to play the role of "Ford" in "Falstaff." The applause he received created a record of lasting sixteen minutes. 3ZB will play some recordings by this baritone at 3.30.

"Singing Stars," from 2ZA at 9.45 a.m., features recordings by one of the younger generation of Italian singers, Paolo Silveri.

DeWitt's Pills

—how
they
may
help
you...

THE adequate functioning of the kidneys is of utmost importance to your well-being. If they do not carry out their work properly, you cannot maintain good health. The reason is that the kidneys cleanse the bloodstream by filtering impurities from the system.

If, however, they become sluggish, the waste matters which should have been filtered away, remain in the body. Sluggish kidneys, therefore, may be the cause of many of your rheumatically symptoms, back-aches, or joint and muscle pains. Many people have found that De Witt's Pills, taken regularly when faulty kidney action is suspected, act as a diuretic and also soothe and cleanse the whole of the urinary channels.

So keep a bottle of De Witt's Pills handy and take them when you have reason to suspect sluggish kidneys.

Prices 4/- and 7/- including tax.
