For the troops, close harmony and straight violin solos (see page 26)

FIRE!

This is a period of high fire danger. Low humidity and dry undergrowth make the smallest spark a threat to your forest heritage. Don't risk losing the harvest of decades. When camping this summer, make sure that your fire is strictly supervised and doused after use. On your motor trip, stub out cigarette butts thoroughly. Never throw a cigarette butt out of the window. Constant vigilance will—
