

ARE POLITICIANS DELINQUENT?

People are blaming parents, lack of home training and of religion, and many other things for juvenile delinquency, but the fact remains that the "moral climate" created by the entire community from the top downwards is also a major influence in character formation or lack of it.

RESPECT FOR LAW is fundamental in a democracy. Voters favoured six o'clock closing (75.5% to 24.5%), yet the Police enquiry confirmed the fact that this law is being widely broken.

THE GOVERNMENT

is apathetic about this grave lack of enforcement.

● **THEY HAVE NOT DONE A THING** about three amendments for better enforcement recommended by Police Commission of enquiry.

● they are protecting the Liquor Traffic and vetoing the will of the people by refusing reasonable financial facilities for Trusts and by refusing a National Poll on Trust Control.

Delinquent PUBLICANS

There were 555 prosecutions last year out of 1,120 hotel-keepers. Licenses granted on strict legal conditions are openly flouted. This sets a low moral standard in the Community.

A VOTE FOR CONTINUANCE CONDONES ALL THIS.

A VOTE FOR STATE PURCHASE AND CONTROL approves spending millions to buy out the liquor trade and £4,000,000 Goodwill Compensation as well!

VOTE PROHIBITION

H.M.V. HEAT CONTROLLED IRON

Just set the dial to Rayon, Silk, Wool, Cotton or Linen as required, and the H.M.V. Heat Controlled Iron selects the right temperature for ironing each of the fabrics without the slightest fear of scorching. The bakelite handle is heat-resistant and heat-insulating, while the soleplate is untarnishable and heats all over to give uniform ironing. Difficult garments with pleats, buckles, buttons, etc., are no problem either, as the shape of the iron enables you to iron around and over them. Altogether, these features add up to smooth, effortless ironing that is thermostatically heat controlled for complete safety.

This famous Iron bearing the world's most trusted name is amazingly low priced at
