A man whose nose is indispensable to his success as Charlie Chaplin's hoots, is Jimmy Durante, a comedian who so moved the old Scot Sir Harry Lauder that he rose from his seat and joined Jimmy on the stage in spontaneous partnerships. The irrepressible Jimmy Durante is featured by 3ZB tonight at 7.30.

At 8.45 p.m. on Fridays and 12.33 p.m. on Mondays, 2ZA presents "Country Digest," a programme of news and information for the man on the land, introduced by Ivan Tabor.

A SPLIT SECOND IN ETERNITY

The Ancients Called It COSMIC CONSCIOUSNESS

MUST man die to release his inner consciousness? Can we experience momentary flights of the soul—that is, become one with the universe and receive an influx of great understanding?

The shackles of the body—its earthly limitations—can be thrown off and man's mind can be attuned to the Infinite Wisdom for a flash of a second. During this brief interval intuitive knowledge, great inspiration and a new vision of our life's mission are had. Some call this great experience a psychic phenomenon. But the ancients knew it and taught it as *Cosmic Consciousness*—the merging of man's mind with the Universal Intelligence.

LET THIS FREE BOOK EXPLAIN

This is not a religious doctrine, but the application of simple, natural laws, which give man an insight into the great Cosmic plan. They make possible a source of great joy, strength and a regeneration of man's personal powers. Write to the Rosicrucians, an age-old brotherhood of understanding, for a free copy of the book, "The Mastery of Life." It will tell you how, in the privacy of your own home, you may indulge in these mysteries of life known to the ancients. Address: Scribe L.B.J.,
