

**SMOOTHER SHAVES** start happier days!

*Give him a*

# ***Remington 60***

If you get him away to a smooth, effortless start, his day — and yours too — should run on silver wheels. And that's where Remington shaving comes in. With a Remington "60" there's no bothersome preparation. A click of a switch . . . SHAVING . . . click off again — finished. No soap or brush or blades, no cuts or scrapes, no washing off, no messy cleaning up . . . nothing to get nerves a-twitter or blood pressure up . . . no waste of precious time.

The Remington "60" Shaves a man closer, cleaner, and faster than he's ever been shaved before! Gives him time for that second cup of coffee and unhurried conversation . . . sends him off to work feeling calm, comfortable and well-groomed. For smoother shaves and happier days, give him . . .
