## HIBISCUS SERVICE

*and gain all these advantages:*

Only 5 hours from New Zealand by DC-6 . . . Air-conditioned, pressurised airliners flying over the weather . . . Traditionally hospitable cabin service . . . Choice of comfortable, economical tourist-class or luxurious first-class air travel . . . Complimentary hibiscus spray for ladies on arrival at or departure from Nandi, Fiji . . . Twice-weekly service making long or short holidays easy to plan . . . Return fare concessions; concessions for children and for group travel parties of 10 or more.

Fiji, sun-drenched the year round, is the South Pacific playground for New Zealanders — swimming, sunbathing, on safe beaches; sight-seeing amid lush tropical scenery; shopping for Oriental jewellery, Island souvenirs, Indian tailoring. You'll enjoy golf, tennis, bowls, fishing, launch cruising, meet the friendly Fijians and see their war dances. All these things and more Fiji offers at reasonable cost.

Traditional Teal hospitality is dispensed on the Hibiscus Service. For first-class passengers cocktails and hors d'oeuvres preface a champagne dinner nicely followed by coffee and liqueurs. For tourist passengers (who save £14 on the return fare), a simpler, though adequate meal is served. All passengers may purchase soft drinks, liquor and cigarettes. Cards, games and magazines are available on request to the hostess. A complimentary cabin bag is issued to first-class passengers. Free baggage allowance of 66 lb. for first and 44 lb. for tourist class passengers.
