

Enjoy
your
silver
every
day

Let all your silver give you pleasure all the time, it is beautiful—and useful too. Let it enhance the elegance of your table, give frosty appeal to salads and iced desserts, a tempting glow to hot dishes . . . adds luxury to your meal. Silver is made for admiration, don't hide it away in your cupboard, let it take a cherished place in your family life.

Goddard's Plate Powder easily maintains the brilliance of your cherished silver. The perfection of all fine silver—whether in museums, palaces or the most modest homes—has been guarded for generations with Goddard's Plate Powder—gentlest and safest of all polishes, it keeps your silver a joy for ever. Also available as *GODDARD'S LIQUID POLISH* or impregnated into *GODDARD'S SILVER CLOTH*.
