'Contemporary' or 'modern'?

There are two schools of thought. Some say 'modern': others 'contemporary'.

Well, we can leave those differences to architects, critics and the lexicographers. Our contribution to the discussion is a wide range of Sundour Fabrics—for example like the texture and the print shown here—and that seems to satisfy both schools of thought.

Whether you're thinking of curtains or covers... for large rooms or

small... you can be certain of finding the fabric of your dreams. There's a whole world to choose from—bold prints or dainty chintzes, textures or damasks, velvets or chenilles, dainty marquisettes or gay sprig muslins. And at prices to suit every purse.

They'll keep their first-day freshness, too—for they are guaranteed against fading. Every one of them. These lovely fabrics are at good stores everywhere.

SUNDOUR

fine furnishing fabrics.

All Sundour fabrics are guaranteed against fading
— most of them for the whole of their life.
