Dad's dreaming about
the Gift he hopes to get...

The
Remington
NEW Contour

Compare the "New Contour" with
any other electric shaver regardless
of price, and you'll see why it is
the leader in the low price field!

REMINGTON is the WORLD'S
CLOSEST SHAVER—and here's why!

Only REMINGTON is fully-slotted.
Some shavers use a cutting head
with tiny holes through which the
hairs must pass to be cut off — as
difficult as threading hundreds of
needles simultaneously—but Rem-
ington has solved this problem by
designing full-slotted cutting heads
(as illustrated) . . . These act like
a comb — they guide every hair,
every whisker
to the cutting
blades — not
one is missed,
long or short.

No wonder 15 million modern-
minded men shave the
REMINGTON way!

ONLY
