**SNAP-AWAY
O.T.C.
BUSINESS FORMS**

Snap-away O.T.C. (One Time Carbon) Business Forms completely revolutionise all concepts of office stationery. In the ONE PROCESS Snap-away O.T.C. Business Forms are printed — with any number of exact or amended duplicates (2 sides and 2 colours at once if desired) numbered, perforated, interleaved with carbons and produced in complete sets ready for IMMEDIATE USE. No more dog-eared carbons, unreadable copies, missing figures, etc. When completed, simply grip top and bottom of form, give a quick snap and carbons are automatically extracted leaving forms ready for despatch and filing. Consider the delay, time and money wasted, inserting and extracting carbons, checking copies and searching for clerical errors. All may be eliminated by the use of O.T.C. Forms.

Here is a condensation of a letter received from the D.I.C., Dunedin. — "We use approximately 275,000 statements a year and find the O.T.C. Business Forms a great time saver — We are very pleased we made the change to these new statements."

Snap-away O.T.C. Business Forms can be used for ALL your office stationery.
