These points ensure perfect cooking

Roomy oven—easy access G.E.C. cookers have an exceptionally large oven. Oven lining can be slipped out quickly and is easily washed. Elements are specially designed for even heating. Over 350,000 are in daily use and no failures have been reported. Oven door glides down smoothly and makes a shelf to stand hot, heavy dishes on.

Cooking without looking Set G.E.C. Ovenmaster control, pop in your joint, pies, pastries and cakes; and at the right time, out they come, perfectly done.

Removable hotplates Plug-in hot plates and grill-boiler are easily taken out and cleaned. There is ample room for five saucepans.

Separate grill compartment Conveniently placed, this element ensures perfect grilling, while its top provides extra boiling facilities at the same time.

Spacious warming drawer Heated drawer at bottom of cooker provides ample space for keeping food and dishes warm.

Colours Modern streamlined design, finished in white or ivory vitreous enamel.

*..... and for out and about housewives
the G.E.C. AUTO-TIMER...*

This automatic timing device is an optional extra to any G.E.C. cooker. Controls cooking in the oven for periods up to eight hours, even while you are out! For manual cooking of up to an hour a ringing timer is fitted. An Osram striplite illuminates the whole top.
