REMINGTON NEW Contour

THE QUALITY LEADER IN THE LOW PRICE FIELD!

Compare the "New Contour" with any other electric shaver regardless of price, and you'll see why the combination of three twin fully-slotted cutting heads mounted on the famous Remington Face-Fitting Contour principle, shaves CLOSER, FASTER and SMOOTHER! ONLY REMINGTON IS FULLY-SLOTTED FOR CLOSER, FASTER SHAVES!

Some shavers use a cutting head with tiny holes through which the hairs must pass to be cut off — as difficult as threading hundreds of needles simultaneously—but Remington has solved this problem by designing full-slotted cutting heads (as illustrated) . . . These act like a comb — they guide every hair, every whisker to the cutting blades — not one is missed, long or short.

No wonder 15 million modern-minded men shave the REMINGTON way!
