

THE NEW COLUMBUS

Flotilla

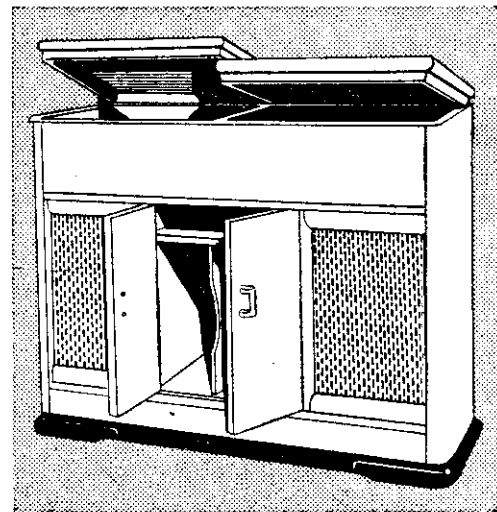

New Standard in Performance New Beauty in Design New Features for 1957

With the perfection of the new Flotilla, the Radio Corporation of New Zealand have achieved a standard of radio reception and recorded reproduction never before reached in this Dominion. The thrilling tone realism of The Flotilla, giving world-wide reception and covering the span of human hearing, is recognised by all who hear it. In beauty of cabinetry, professional standards in construc-

tion and the selection of components, this magnificent radio-gramophone is unexcelled by anything of its type, anywhere. Its possession marks its owner indelibly as one who not only insists upon, but appreciates the best. Whether you are replacing your old set or furnishing a new house, be sure to hear the new Columbus Flotilla—you'll be satisfied with nothing less for your home.
