New way to REMOVE HAIR

Better than the razor

Try this wonderful way to remove underarm hair. No scraping with razors which make the hair grow faster and coarser. No cuts. Just apply Veet cream straight from the tube — leave for 3 minutes — then wash off. Your skin is left silken smooth. No stubble — not a shadow. Veet keeps your skin hair-free longer. And weakens re-growth. Don't forget to use Veet on your legs, too. Success guaranteed or money refunded. Veet at chemists and stores, 3/2d per tube.
