

RECORD FAMILY MEMORIES THAT WILL NEVER FADE
YEARS OF RECORDING ENJOYMENT . . .

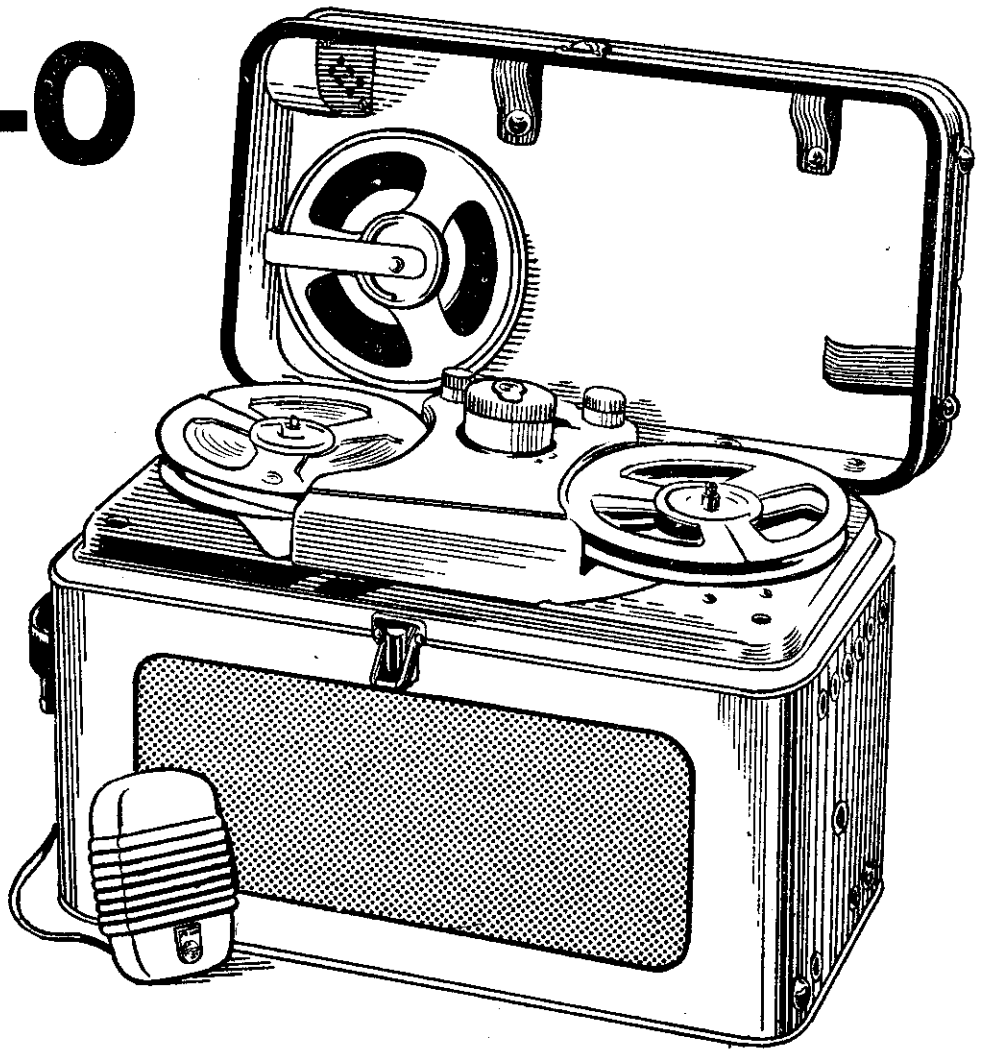

FOR ONLY

£59-10-0

See this low-cost, reliable tape-recorder—a champion in its price range!

Everything required for recording and playback in one case. Easy threading of the tape. Mono-knob operation. Accidental erasing of the tape impossible. High-fidelity music and speech reproduction.

A full hour extended recording time at $3\frac{3}{4}$ " per second on two tracks. Recordings can be played back thousands of times without loss of quality. You can use it as a gramophone amplifier too!
