"BURGESS"
VIBRO-SPRAYER
Sprays PAINT, VARNISH, LIGHT OILS, INSECTICIDES

The motor is the vibrating type and the principle is revolutionary, yet simple. Designed for use by amateurs, the "Burgess" Sprayer plugs directly into any 230v. A.C. power point or light socket. It is designed for use with light points, lacquers, insecticides, and light oils, and should not be confused with the more expensive type of commercial sprayers. Used within its limits this sprayer will do hundreds of paint and spray jobs about the home and give years of satisfaction. Supplied with instructions and complete ready for use.
