MAIN CENTRES.

Yes only 1/3 per packet. Truly economical for such a time-saving commodity and for such a magnificent sponge.

Think of it! Sponge making becomes as simple as opening a packet of Edmonds Sponge Mix, adding two beaten eggs, and setting your oven to the right temperature. And what delightful sponges—deep and fluffy, and as light as ever a sponge could be. Success, 100% sure-to-rise success, comes easy to those who use Edmonds Sponge Mix. Available from your grocer now.
