Rembrandt

Masterpiece of Radio-Gramophones

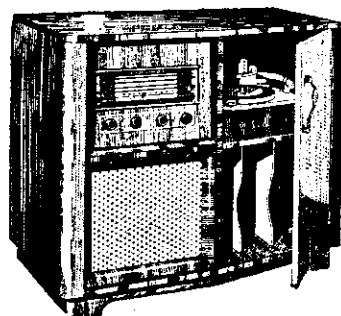

"No truer evidence of the quality of a masterpiece may be found than the discrimination of its owner."

There is no more suitable instrument for reproducing the music of the masters than the magnificent Columbus Rembrandt. And there is no truer evidence of Rembrandt quality than the roster of its owners — leaders in every walk of life. Here are the world's most advanced electronic features in a housing of impeccable design — exquisite cabinetry of specially selected veneers, in traditional or modern mood to suit your personal preference.
