

Vantona

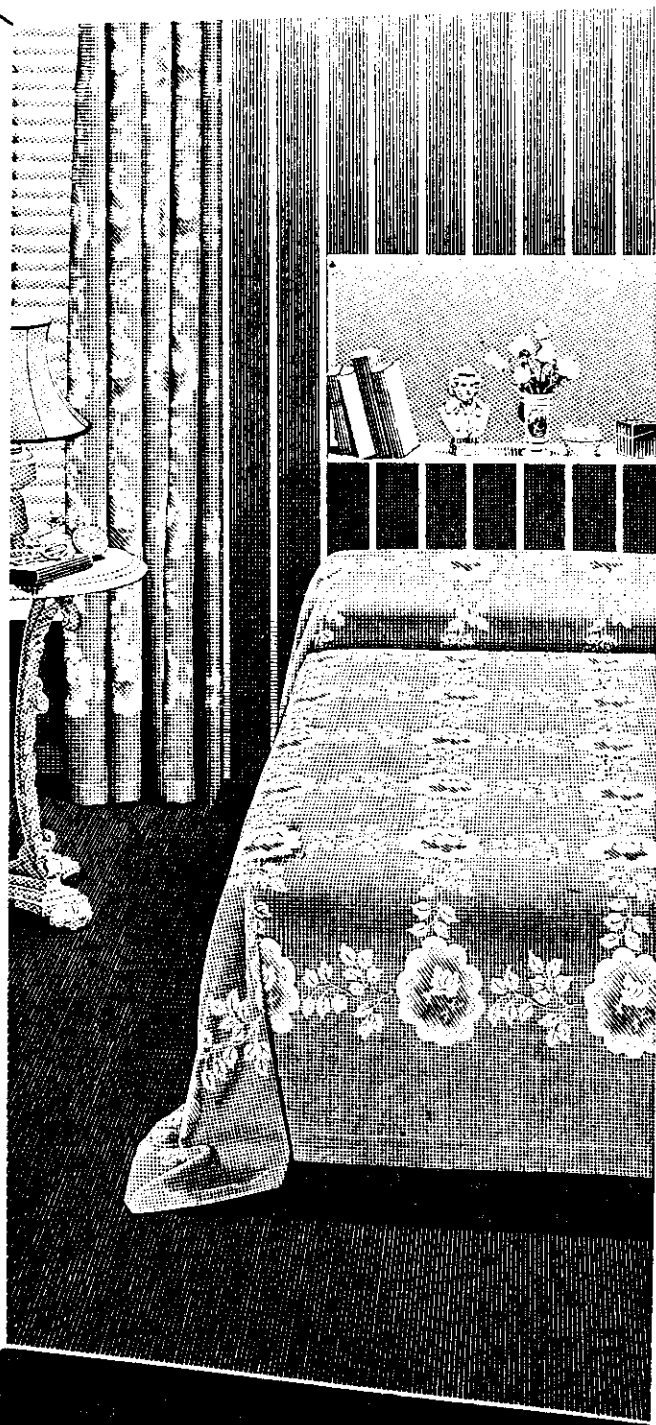

bedcovers

GOOD LOOKS WOVEN IN

Good looks—and good behaviour—are woven deep, woven for keeps, into this Princess bedcover—and that goes for any Vantona bedcover you buy. The handsome pattern is part of its very fabric, hence its pleasant texture to look at and to touch. Its elegant, uncreasing way of draping, its strong, firm character that takes washing and bright sunshine with a smile, year in, year out.

There is a large range of Princess designs; this one is "ROSE ARBOUR". All in Forest Green, Carmen Rose, Blue, Cherry or Mushroom. Sizes approx. 70" x 100" and 90" x 100". Ask for them at your local store.
