# save on eggs

High-priced eggs go a lot further in scrambled eggs and omelettes with a little Fielder's to help them. It's super fine — actually makes them smoother, creamier. And there's no "maizey" taste to compete with the full egg flavour! Fielder's Cornflour is made from wheat, not maize. It only takes a teaspoon to each egg... try it.

One teaspoon of FIELDER'S to each egg, makes more, improves the texture of scrambled eggs.
