

## BIRD STUDY COURSE on KAPITI ISLAND

The Regional Council of Adult Education, Victoria University College has arranged a field study course on Kapiti Island to be held from 28th December, 1957, to 6th January, 1958. The course will be directed by Mr. E. G. Turbott, and Mr. F. C. Kinsky, both authorities on New Zealand Birds. It will be held in camp on the Island and students will be transported to and from by launch. Enrolments which are limited to forty are open to people of all ages but no requirement about prior knowledge in the field will be made. Further details may be obtained from the Director of Adult Education, 192 Tinakori Road, Wellington.
