SPOTTY SKIN CLEARED IN A FEW DAYS

NEW TREATMENT SUCCEEDS WHERE OTHERS FAIL

Everyone gets annoying spots occasionally and sometimes they just won't go. For months this young man had an absolute rash of spots — tried almost everything for them. Finally he used Valderma Balm which cleared his skin completely in about a week!

AT THE FIRST SIGN OF A SPOT
Do not squeeze. Apply Valderma double antiseptic Balm, which ends irritation and inflammation at once.

Valderma kills infection-causing germs and then heals up the skin. **SPEED IS IMPORTANT** Treat a spot the instant it appears and it can be dispersed quickly. You can use soothing Valderma Balm anywhere, any time; it is white, non-greasy, doesn't show on the skin. Valderma works wonders with eczema, rashes and other common skin troubles. It's good for cuts and grazes, too. Available everywhere in handy tubes at 2/4. Double size 3/6 saves money.

VALDERMA BALM heals so swiftly!

Made in New Zealand for Dee Health Laboratories Limited, by Salmond & Spraggon Limited, Wellington.
